806 Citicenter  
146 S High St  
Akron, OH 44308-1423  
(330)375-2436

### Website

<http://ci.akron.oh.us/AMATS>

### Area Population

Region Population: 704,848 (2000 Census)

### Location

Northeast Ohio; encompasses Summit County, Portage County and Chippewa Township in Wayne County. It contains 17 cities, 16 villages and 28 townships.

### Services

#### Transportation Services

- Directs the cooperative, continuous and comprehensive (or "3-C") transportation planning process,
- Develops regional transportation policies, plans and programs including the long-term Regional Transportation Plan and a short-term Transportation Improvement Program,
- Works to improve air quality in the region,
- Serves as a forum for member local governments and agencies to address local and regional issues in a cooperative manner, and
- Encourages local-decision making that is in harmony with regional transportation and air quality goals.
