Area Population

901,462 (2000 census)

Location

Southwestern Ohio; Encompasses Darke County, Miami County, Preble County, Montgomery County, Greene County, and parts of Clark and Warren Counties. It contains 26 cities, 9 villages and 16 townships.

Services

Transportation Services

- Serves as the MPO for Montgomery, Miami, Greene Counties, and a portion of Warren County,
- Coordinates with member jurisdictions to develop and oversee the short range Transportation Improvement Program and Long Range Transportation Plan,
- Administers the Alternative Transportation Program including a regional Rideshare (carpool/vanpool) service, Walkable Communities Workshops and updates regional Recreational Trails maps, and
- Works to reduce regional congestion and other transportation problems through intelligent transportation systems (ITS) and other methods.

Environmental Planning Services

- Provides Air and Water Quality Planning for the region and planning support for members,
- Develops public policy impacting the region and state, and
- Assists communities in identifying environmental and regional priorities.

Research and GIS Services

- Conducts and updates various research projects including State of the Region Report, Regional Comparison Profile, Urbanization Trends and Vacant Property Assessment, and
- Collects local jurisdiction's traffic counts/data and updates Traffic Volume Map on a triennial basis.

Regional Cooperative Services

- Developed regional Sustainable Growth Initiative which emphasizes collaborative strategies to improve the quality of life and economic vitality throughout the region, and
- Developed Greater Dayton Regional Principles and Growth Compact to serve as a framework for action that will guide, but not prescribe, regional and local planning and decision making.
