Southwestern Ohio; Encompasses Butler, Clermont, Hamilton, and Warren Counties in Ohio, Boone, Campbell, and Kenton Counties in Kentucky, and Dearborn County in Indiana.

Services

Transportation Planning

- Serves as the region's MPO,
- Provides data and mapping services to members and the public,
- Studies different transportation options and plans to deal with regional congestion and other transportation problems,
- Serves as a regional resource to communities and organizations for the expansion and improvement of the bicycle transportation system, and
- Administers the region's Rideshare and Vanpool program.

Environmental and Planning Services

- Provide leadership in Greenspace planning and protection of our most resources,
- Assists communities in developing strategies to include Greenspace in their planning,
- Collaborates with other agencies and interests in cleaning up polluted resources,
- Administers the Regional Ozone Coalition, and
- Performs land use planning, providing communities with the tools to integrate planning efforts with greenspace and other resources.
